Information relating to outcome

Offered School

We are pleased to offer a place at one of your preferred schools. If the school is a voluntary aided, foundation or free school or an academy, this offer is made on behalf of the governing body or academy trust of the school.

I am sorry that it was not possible to offer a higher preference. Your higher preference schools had more applications than places. The available places were offered to other applicants who had a higher priority than your child under the school's admission criteria.

Responding to the offer

You must accept or decline the offer online by 15 March 2021.

To accept or decline the place offered use the 'REPLY' button at the bottom of the email. This will take you to the eAdmissions website.

- Login with your username and password.
- Accept or decline your outcome.
- Make sure you **submit** your response.

If you decline this offer the place will be given to the next applicant on the waiting list and it may not be possible to offer this school again. **Declining this offer will not increase your chances of being offered a higher preference in the next round.** We recommend that you accept this offer to guarantee you have a school place in September. You can contact the School Admissions team if you wish to discuss options for finding an alternative school.

What happens next?

The **second round of offers** will be sent out in the **week ending 26 March 2021**. We will only contact you if it is possible to make a new offer. If an offer for a higher preference is made, the offer we have already made will be withdrawn. If you wish to keep this offer, you must let us know (see below - [Are you happy with this offer?](#)).

You are encouraged to accept this offer and wait to see if you can be offered a higher preference. Accepting this offer will not reduce your chances of success in the next round.

A summary of how places were offered at schools in Brent is available at www.brent.gov.uk/secondaryoffers. If you require details of how your application was ranked according to a school's oversubscription criteria, please contact the School Admissions Team at school.admissions@brent.gov.uk.

If you have any questions about the school, which are not answered in their prospectus, please contact the school directly.

Waiting Lists

Your child has been automatically included on the waiting list for the Brent schools you listed as a higher preference than the offered school. Your preferences for schools listed lower than the offered school have been withdrawn. For schools outside Brent you should contact the admissions authority for each school for details about how waiting lists are managed.

Please note: Brent schools are required to maintain waiting lists until at least the end of December 2021. If you would like to remain on the waiting list after this date you may be required to submit an in-year application. You can do this by either contacting the school directly, or applying on the Brent website. Further information can be found at www.brent.gov.uk/inyearadmissions.

Are you happy with this offer?

If you are happy with the school you have been offered and you do not want to be considered for your higher preference schools you must ask us to take your child off the waiting list.

Please email this request to offer.acceptdecline@brent.gov.uk with your child's full name and Application Reference Number. If you do not remove your child from the waiting list then you may be offered a higher preference school in the future and this offer will no longer be available. If you are unsure about whether to remain on the waiting list please seek advice from Brent school admissions - email: school.admissions@brent.gov.uk

Changing your preferences and other details

You can change your preferences or other application details by completing the change of circumstances form on the Brent website at www.brent.gov.uk/changeapplicationdetails. It is important that you let us know immediately if any details of your application have changed (e.g. your address). If you are offered a place based on out-of-date information the offer will be withdrawn.

The deadline for changes for the second round of offers is 15 March 2021.

Appeals

You have a right of appeal under the School Standards & Framework Act 1998 against the refusal of a place at any of the schools for which you applied. If you wish to appeal you must contact the admissions authority for the school urgently to obtain the procedure and the date by which an appeal must be submitted. All secondary schools in Brent are their own admissions authority and you must contact the school directly if you wish to appeal. Further information can be found on the Brent website at www.brent.gov.uk/schoolappeals

Brent School Admissions wish your child every success in their future education.
